Experience

● Digital Puzzle

Motion Graphics Intern

June 2020 - Aug 2020

I had interned with Digital Puzzle as their Motion Graphics Artist, which was my first exposure to the industry which enabled me to learn hands on about how productions work

● Spacebot

Pre/Post-Production Intern

Feb 2021 - May 2021

As a pre/post production intern at spacebot I was involved with pre production, shoots & post production for various corporate and advertising video projects where I was able to take my skills to the next level

● Myoksha

Motion Graphics Artis

Sep 2021 - Aug 2022

As the primary animator for Myoksha, I was able to learn and grow a lot along with my colleagues which taught me a lot about teamwork, time management and communication enabling me and the team to deliver our projects on time.
